

## 2018 BYOC RACE SERIES

I \_\_\_\_\_ acknowledge that I am chartering one of the National One Design Sailing Academy Flying Tiger 7.5 meter sport boats (the "Boat") to participate in the BYOC Monday night racing series scheduled to commence on June 18th, 2018 and each Monday night thereafter to and including Monday, August 27<sup>th</sup>, 2018.

I acknowledge that as the charterer, I am responsible for any damage that occurs to the Boat while in my care and control to a maximum of Fifteen Hundred (\$1,500.00) Dollars per occurrence.

I acknowledge that in the event of a collision with another boat, I may be absolved of the responsibility to pay for the damage by a protest committee. PROVIDED HOWEVER that in the event that the Protest Committee decides that pursuant to the Racing Rules of Sailing (RRS) (as defined in the Sailing Instructions) the other boat was at fault but that I had nonetheless breached Rule 14 of the RRS, the protest committee may, in their absolute discretion, allocate any portion the damage repair cost, up to Seven Hundred and Fifty (\$750.00) Dollars, to me. A table of such costs is included in Addendum D which is attached to, and forms part of the Sailing Instructions.

In return for not placing a hold on my credit card or requiring a Fifteen Hundred (\$1,500.00) Dollar cash deposit, I acknowledge and consent to National One Design Sailing Academy charging my credit card for the assessed damage.
